

UPDATED COMMUNICATION ON CPC & CORONAVIRUS (COVID-19)

All aspects of our services are proceeding 'as normal' as far as content is concerned, but as streamed-events only. This is so as to minimise risk of transmission and to maintain obedience to the law. That means our front doors will need to be closed with a sign to communicate the situation.

Please be assured that our priority is bringing God's word to you in this very difficult situation. Our services will be available at 10:30 am and then 5 pm each Sunday on our YouTube channel..

Session has met 'virtually' and, along with agreeing on these measures, we are also determined by God's help to overcome the social isolation. Various Session members will look at setting up interactive Zoom meetings in due course. Zoom is an application that facilitates online meetings with multiple people. If you would like any more information about it, please feel free to contact me by email or phone (below) and I'd be happy to talk you through this option. If you aren't receiving emails, and would like to be on the list, please contact me to advise.

I also intend to send out periodic Zoom links to join if you'd like by clicking on the link in the email. We would have up to 40 minutes (my Zoom account setting) where I'd value the opportunity to hear how you're going and how I can be specifically praying. I realise that the platform or the times may not suit, though welcome your contact via email or phone if there might be a preferable manner of contact, time or if you would like to contact me directly.

Our Session also expressed the desire to let you know that if any of you are struggling to obtain necessities, to contact me or any one of the elders so that we can consider how we might best be able to support you.

May you know the Lord's grace and peace in these uncertain times.

Kindest regards,

David
